TODAY'S BAPTISMAL SERVICE– Today we have three ladies going through the waters of Baptism. First up is Christine Austin, followed by Rosanne Brown and then Jaycee Hudson. Please pray for them before and during the service as this is a very significant step for each of them. If you are not sure what believer's baptism is all about – this might help. Believer's baptism is a very special moment on the journey of faith. It is a moment when God's presence and blessing meets us, and when we make our personal commitment of faith in Jesus as Lord. It signifies the end of our old life and of being born again to new life in Christ. Normally taking place by full immersion in water, it speaks of repentance and cleansing, of being united with Christ in his death and resurrection, and of witnessing to the call of God upon our lives. Baptism is also about receiving God's Spirit for service in the church and in the world. Let me ask you, if you haven't been baptised as a believer, what is stopping you? If you want to know more, then talk to me or one of the deacons. We are hoping to have another baptismal service early in the new year. Derek

Of course, we do hope you can join us for the service in the church but if you can't actually join us, you will be able to access the service at any time by going to: https://www.aldwickbaptist.co.uk/category/current-sermons.

YOUR HARVEST DONATIONS – Thank you for your support!

The foodbank were certainly very pleased and included a picture of our giving on their facebook page.

If you want to see the entry then click this link!

You have certainly made life a little bit easier for a few of the many families who will be visiting the foodbank over the next few days.

Yes all of this will be gone in just a few days.

The need in our area is acute!

Have you got a spare kettle?

We have been asked by a lady who is literally living hand to mouth each week if we can supply her with a kettle as her has died and she simply can't afford a new one!

Let me know if you have one (preferably that works!

This week's poem

This week Arthur reminds us that no matter what you are going through, there really is always no need to be afraid.

"Do not be afraid"

Have you been in that desperate place?
When you doubt your faith?,
Where all hope has faded away,
Where there seems no more words to say.

In that deep pit
with no exit.
The devil on your back
Hoping that you will crack?

"Do not be afraid"
Trust in the Lord
and all the promises He made.
Remember He is with you through the darkest night.
He will guide you into His everlasting light.

Because of the cross, you will never need to be afraid again.
He will help you through your fear and pain.
And when all the trials of the world have passed away
We will spend forever with the Lord
In that eternal day.

… and finally

FIRST RESPONDER – As Simon is now on an extended break, I will be acting as first responder, so please don't try to contact him, instead contact me in the case of emergencies.. For less urgent problems, please use our pastoral care system by contacting your pastoral group coordinator.

AN IMPORTANT REMINDER – Our minister Simon is currently taking an extended leave on medical advice to focus on his health and well-being. During this time, he will be completely off-duty and not involved in any church activities. Simon and his doctors recently reviewed his situation and decided that he is still not fit to return. Simon has sent out an email explaining his current situation and he asks you to read it carefully and then to pray for healing and peace of mind for him and the family. A copy of this email is included with this news sheet. **Please do not try to contact Simon by phone or email** as he needs a complete break. Nicky would also appreciate it if we didn't keep asking her for updates as she has nothing to add to Simon's email at present. We will keep you updated as we receive any updates but it is highly unlikely that Simon will return to the church into early in 2025. In his absence, pastoral matters will be handled by our leadership team.
